REPORT FROM THE FIRST OFFICIAL PRE- KICK OFF MEETING

The first official pre- kick off meeting (meeting) of partners at GenSec project, was hold by zoom, and all meeting is recorded.

The meeting started at 18:00 CET.

At the meeting were present: Milica Boskovic, Katarina Smakic, and Mina Suknovic at team mebers of Faculty of Security Studies, Elena Tilovska kechedji and Goran Ilik as team members from University St.Kliment Ohridski Bitola, Marko Stojanovic and Jelena Nastic from WEBIN Institute, and Miranda Gurgendidze and Emilia Alaverdov from Techical University Georgia.

At the begging of the meeting, all present introduced themself and their institutions, giving important information about personal experience, and achievements of their HEIs, and organizations. Everyone concluded that all team members have knowledge, and experience important for activities on GenSec, as well as that institutions were partners at many Erasmus and other scientific projects.

1. For members of Supervisory board are chosen: Mina Suknovic (Faculty of Security Studies), Miranda Gurgendidze (Techical University Georgia), Jasmina Radojicic and Jelena Nastic (WEBIN), and Goran Ilik (University St.Kliment Ohridski Bitola).

Supervisory board will evaluate internal and official reports about project activities, as well as activities and reports about dissemination of GenSec, and give their opinion, agreement or disagreement, and recomendations.

2. Dissemination Activities

Partners suggested to create baners at official web sites of their institutions, and those banners would be link to GenSec official web page on Faculty of Diplomacy and Security site. Also, all partners agree to jointly prepare posts, articles, and other dissemination information about Project

and future joint master studies, and by scheduled time, put them at GenSec official profiles at social networks, as well as on their personal profiles, and of their institutions.

3. Timeline for Key activities

All partners agree that by the end of November 2024, all subjects titles will be defined, as well as the main structure of curriculum. For that purpose new meeting, by zoom, will be held at 4 November 2024, at 17:00 CET.

4. Faculty of Diplomacy and Security provided important documentation, standards, and rules for accreditation by serbian national law, to partners at past 30 days, by email, Viber group, and GenSec group on Slack. All these documents were presented at the meeting by option "share screen". The discussion about similarities and differences at national procedures was absent, as partners need to analyze Serbian standards, and send their rolebooks to Faculty's team members. After this, it can be defined the best methodology for preparing documentation, and providing all necessary information for accreditation.

As soon as possible, national rolebooks, standards, and procedures must be exchanged, defined mode of diploma, scientific areas which will be applied by partners and semesters, so further preparations can go on.

The meeting was ended at 19:40 CET.
