

Faculty of Diplomacy and Security

Belgrade

5 November 2024.

REPORT FROM THE SECOND OFFICIAL ONLINE MEETING

The second official meeting (meeting) of partners at GenSec project, was hold by zoom, and whole meeting meeting is recorded.

The meeting started at 17:00 CET.

At the meeting were present: Milica Boskovic, Katarina Smakic, and Mina Suknovic at team mebers of Faculty of Security Studies, Elena Tilovska Kechedji as team member from University St.Kliment Ohridski Bitola, Jelena Nastic from WEBIN Institute, and Miranda Gurgenidze and Emilia Alaverdov from Techical University Georgia.

At the begging of the meeting, prof. Milica Boskovic repeated that important documents were sent, as well as questions about structure of semesters that partners will create. Also, partners are introduced with new information about rules for accreditation of joint master program at Serbia, and conclusion is that every participating country have same rules about minimum 60 credits for master studies, which have to be provided.

1. Further, Mina Suknovic hold the meeting, explaining how semester has to be structured by type and nukmber of subjects, and professors. All partners agreed to send structure of their semesters by 8 November 2024. After that, the first draft of joint curriculum will be created. Jelena Nastic shared information that, after this step, partners must define main elements of joint (double) diploma, students selection, etc. Also, she will introduce her suggestions for subjects, which could be inovative, and important for further EMDM application.
2. All partners are informed that official profile of GenSec project is created, and that they should be active on posting, and sharing information. Partners got the link for official GenSec page on Faculty's web site, and they must post it to theor official web sites.
3. As part of joint activities, guest lecturers will be hold. Prof. alaverdov will hold her online lecture for students of Faculty of Diplomacy and Security on 7 November 2024. Ass.Prof.

Katarina Smakic will hold her guest lecture to Georgian students until the end of November 2024. partners from Macedonia are welcomed to hold their guest lectures.

The meeting is ended at 18:30 CET.

Prof. Dr. Milica Boskovic, Lead of Project
